From quote to launch.

Thanks for telling us about your place. Once you send your request, we'll reply by email with a fixed quote in writing.

What happens next?

Quote

Check the price and what's included. Give us the go-ahead when you're ready.

Intake

Share your photos, rates and house rules. We can talk it through on a short call.

Build & review

Open your private preview. Tell us what to adjust so the site feels like your place.

Live!

Once you approve, we launch on your own domain with the calendar connections we agreed on.

Inside your website

Home

Give guests a first look at your place, with photos, rates and a clear way to enquire.

About

Introduce yourself, share what makes a stay special and add a few local favourites.

Booking

Guests send dates by email or WhatsApp. You check availability and confirm the stay directly.

Payments

Online payment is optional

Your guests pay you directly. You choose when and how, whether by bank transfer, on arrival or with a payment link from your own provider. We connect guests to you. You manage deposits, payments and refunds.
